Forward-Looking Statements

The Company's Q3 2017 financial results, as discussed in this fact sheet, are preliminary and unaudited. This fact sheet contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Statements in this fact sheet regarding the Company's business that are not historical facts may be "forward-looking statements" that involve risks and uncertainties. Specifically, forward-looking statements in this fact sheet include, but are not limited to, statements about the Company's expectations regarding 2017 sales, operating income levels, and 2017 earnings per share. Forward-looking statements are based on management's current, preliminary expectations and are subject to risks and uncertainties that could cause actual results to differ from the results expected. Risks and uncertainties that the Company faces are described under the heading "Risk Factors" in our most recent Annual Report on Form 10-K, as updated by our subsequent filings with the SEC, all of which are available on the Company's investor relations website at <http://www.lemaitre.com> and on the SEC's website at <http://www.sec.gov>. Undue reliance should not be placed on forward-looking statements, which speak only as of the date they are made. The Company undertakes no obligation to update publicly any forward-looking statements to reflect new information, events, or circumstances after the date they were made, or to reflect the occurrence of unanticipated events.
