**Explanation of Responses:**

- Represents shares acquired upon exercise of options by the Reporting Person, as reported in Table II.
- The price reported in Column 4 is a weighted average price. The transaction was executed in multiple trades ranging from \$15.05 to \$15.80. The reporting person undertakes to provide to the issuer, any securityholder of the issuer or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares and price at which the transaction was effected.
- This option is fully vested and exercisable.
- This stock option was originally reported on Form 3 as having an expiration date of June 2, 2007, but does not in fact have an expiration date. Because an expiration date is required to be reported, the originally reported expiration date is included for the sake of consistency.
